Remission of Fees Policy

As one of the leading music educators in Swindon the JTP Trust welcomes singers of all abilities and backgrounds without audition, giving equal access to opportunities and participation. As a registered charity our funds are limited; however, grant money from Swindon Music Services www.swindonmusicservice.org has made it possible for the Trust to offer fee reductions to eligible students on a first come, first served basis.

The current offer in our remission scheme, in line with Swindon Music Services policy is a 60% reduction. A sibling discount is available to second and subsequent children of the same family unit. As an introductory benefit, **all new singers receive their first term of singing free of charge, covering a maximum of 5 lessons within the term of joining.**

Although we may not be able to help everybody who applies, we welcome requests from all eligible applicants in accordance with our policy and will assess applications annually in August.
